# STETHOSCOPE

**DE-UN # 516**  
**\$ 219.39**

**Details:**

The 3M™ Littmann® Cardiology IV™ Stethoscope is designed for clinicians who require outstanding acoustic performance combined with exceptional versatility. Its innovative design provides a single-piece tunable diaphragm on each side of the chestpiece

**DE-UN # 517**  
**\$ 219.39**

**Details:**

The Littmann Classic III™ is the next generation of an icon. Littmann Classics set the standard for clinical use and the Classic III features many beneficial upgrades that enhance acoustic sensitivity

**DE-UN # 518**  
**\$ 219.39**

**Details:**

There are tunable diaphragms on both the adult and pediatric sides of the precision-machined chestpiece. Light pressure on the diaphragm allows the user to hear lower frequency sounds, firmer pressure allows you to hear higher frequency sounds.
